

Pre-Engineered 36" Wide Bin Shelving

Get as many as 38 compartments, and all dividers can be adjusted to further customize the bin sizes!

- Lyon Steel Bin Shelving is ideal where materials are stored in assigned locations.
- In a typical installation, each item in inventory is assigned to a specific bin opening, enabling workers to find and pick parts from stock more quickly.
- Shelf dividers are individually adjustable side-to-side on 3" centers.
- Dividers can be removed or additional dividers added when your storage needs change.
- To order extra dividers, see page 19.
- All units are 84" high.
