

Expanded Metal Lockers

Expanded metal lockers provide ideal clothing and uniform storage for schools, arenas, hotels, motels, hospitals, supermarkets and industrial plants. In addition to reducing odor through increased ventilation, visual inspection encourages neatness and discourages storage of unauthorized articles.

TECHNICAL DATA

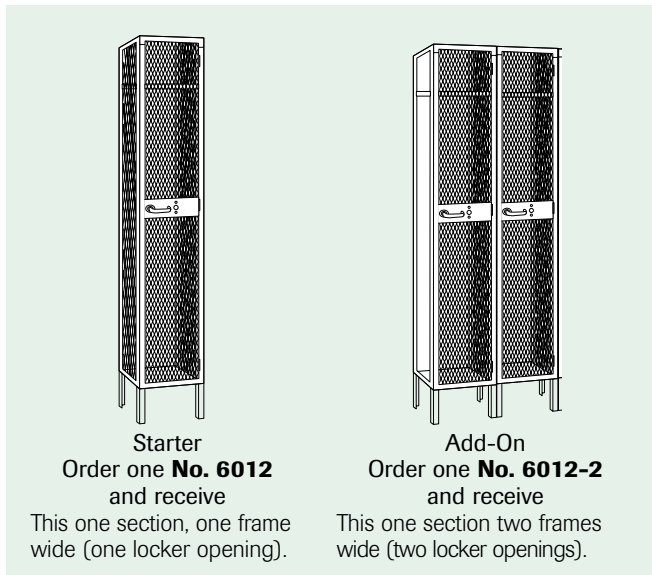

- Heavy duty 13-gauge steel diamond mesh construction.
- Diamond-shaped steel mesh on front and sides provides maximum air circulation.
- Sizes shown are per locker door opening and should be ordered by number of openings required.
- Product numbers shown are for lockers with 6" legs. Available without legs.
- Locker handles have built-in padlock attachment and may be equipped with built-in locks.
- Lockers are shipped knocked down.

Accessories

- Closed Front and End Bases, and other Accessories, pages 77-78, 84.
- Additional Lockers, pages 73-82, 84, 88-93.

COLOR INFORMATION, choose from the following

in stock	Dove Gray Add Prefix DD to Cat. No.
	Putty Add Prefix PP to Cat. No.
	Wedgewood Blue Add Prefix BB to Cat. No.

Starter
Order one **No. 6012** and receive
This one section, one frame wide (one locker opening).

Add-On
Order one **No. 6012-2** and receive
This one section two frames wide (two locker openings).

(A) Single Tier Lockers

Full-length door has three-point turn handle latching system. Storage shelf with double-prong coat hook. All lockers have three single-prong coat hooks.

(B) 24" Wide Oversize Team Lockers

Big enough for bulky equipment, in a 24" wide version of the popular single tier locker. Reinforcing K-brace welded to the door frame provides additional strength and proper door alignment. One double-prong coat hook under the storage shelf and four single-prong hooks. Add 6" to height for legs.

(C) Double Tier Lockers

Ideal for use where floor space is limited, or where short garments are stored. All lockers include one double-prong ceiling hook and three single-prong hooks per opening. Three-point turn handle latching system.

(D) Six Tier Lockers

Six tier lockers provide dense storage for six people. All doors have a combination door pull-padlock hasp. When equipped with built-in key or combination locks, the key or lock serves as the door pull. Doors have 1 1/2" x 1 1/8" diamond shaped perforations. Sides are diamond-shaped steel mesh.

Cat. No.	Size	Cat. No.
Starter (1-Wide)		
(A) Single Tier Lockers		
6012	12" w x 18" d x 72" h	6012-2
6018	18" w x 21" d x 72" h	6018-2
(B) Single Tier Lockers (Wide Team Lockers)		
6023	24" w x 21" d x 72" h	6023-2
(C) Double Tier Lockers		
6034	12" w x 18" d x 36" h	6034-2
6038	15" w x 21" d x 36" h	6038-2
