

ExchangeMaster® and SupplyMaster®

Lyon ExchangeMaster® II lockers offer a highly effective security system for the storage of uniforms, linens, protective clothing, personal items, tools, etc. Up to 16 people can have the security of individual locker compartments, yet a uniform/linen supplier or supervisor can open the master door for servicing.

- Compact design allows units to be installed near service or work areas, eliminating the need for secured storage rooms.
- Lockers can be used for garment storage and exchange, as well as personal property storage.
- Linen and uniform suppliers can service individual compartments by opening the large master door. All master doors are keyed alike.
- Garment and linen inventories can be accurately controlled and "shrinkage" minimized.
- Ideal for a wide range of applications in industrial plants, hospitals, clinics, airlines, hotels and motels, restaurants, schools, clubs, and laboratories.

ExchangeMaster® and SupplyMaster® Lockers are Pop-Riveted, Fully Assembled

TurnLocks

The turn lock provides easy door opening with a simple twist. If greater security is required, turn lock can accept a padlock to provide a fully locked compartment door.

NOTE: In the interest of safety, Lyon strongly recommends that lockers be floor and/or wall anchored. See page 88 for important locker anchoring information.

(A) 4-Compartment Lockers

Four compartments for hanging garments in individual lockable compartments.

- Patron door opening size: 9 $\frac{3}{8}$ "w x 38 $\frac{3}{4}$ "h.
- Inside compartment opening: 12 $\frac{1}{2}$ "w x 41 $\frac{1}{2}$ "h
- Door frames 16-gauge, Doors 22-gauge.

(B) 6-Compartment Lockers

- For storage of hanging garments, the 6 compartment locker provides extra-wide
- Provides a spacious area for six people while minimizing the floor space for the actual locker.
- Grooved key locks on all compartments.
- Optional combination locks are available from stock.
- Patron door opening size: 6 $\frac{1}{2}$ "w x 38 $\frac{3}{4}$ "h.
- Inside compartment opening: 8"w x 41 $\frac{1}{2}$ "h
- Door frames 16-gauge, Doors 22-gauge.

(C) 8-Compartment Lockers

Eight compartments for hanging garments in less than four square feet of floor space. Patron door opening: 4 $\frac{1}{8}$ "w x 38 $\frac{3}{4}$ "h. Inside: 5 $\frac{1}{2}$ "w x 21"d x 41 $\frac{1}{2}$ "h. Door frames: 16-gauge. Doors: 22-gauge.

(D) Wide Body 8-Compartment Lockers

Same features as 8 compartment locker, but 33% wider. Easily accommodates 5 or 6 garment changes. Patron door opening: 6 $\frac{1}{2}$ "w x 38 $\frac{3}{4}$ "h. Inside: 7 $\frac{1}{2}$ "w x 21"d x 41 $\frac{1}{2}$ "h. Door frames: 16-gauge. Doors: 22-gauge.
