

Versatile, Adjustable-Leg Work Benches ...

- Sturdy steel channel legs, adjust top from 27¹/₄" to 36¹/₄" high, (add for top thickness, see chart below) provide firm support for top selections listed below.
- Welded steel cross members add strength and durability.
- Optional leg levelers (pictured at right) afford easy adaption to uneven flooring for stability.
- Electrical knockouts on each leg offer space for duplex outlet boxes (not included) and subsequent electrical hookup.
- Each bench selection is available in your choice of eight different tops, as listed below.
- See detailed description and application for each top on page 111.
- Accessories on page 110.

Adjustable Legs with Optional Leg Levelers No. NF2757
