

# Sit-Stand

**For Workers Who Can't Sit Down on the Job!**

The new patent-pending Lyon Gravity Lock System allows infinite interval seat height adjustment within a generous 10" range, and provides positive locking at the set-height.

### Technical/Ergonomic Features

- Base design allows positioning up close to work station or production lines.
- Extremely stable, but not at all bulky.
- Ergonomically formed, padded polyurethane seat.
- Unlimited seat height adjustment within a 10" range
- Gravity lock system
- Seat angle adjustment within a 20° range
- Seat rotates left and right with memory return to 12 o'clock position

Lift the handy adjustment paddle to quickly change seat angle within a 20° range.

Small wheels embedded in the base make transporting the Lyon sit stand a breeze.

No. 2092N
