

# Pre-Engineered Sky-Wal II™ Components

Combine the quality and convenience of Lyon Adjustable-and Flared-Leg Workbenches with pre-engineered Sky-Wal II™ ergonomic components to create work stations ideally suited to your operations and work force. Start by ordering a 60" or 72" wide bench from the preceding pages, then choose from various pre-engineered Sky-Wal II™ units pictured here to complete your order and secure the perfect combination of bench and components for your particular tasks. Components are also available individually on pages 110-111, and retrofit existing Lyon Adjustable-and Flared-Leg benches.

**NOTE:**

- Catalog numbers shown are for frame or frame packages only and do **NOT** include work benches or modular drawer workstations.
- Sky-Wal II™ components are not compatible with Slide Bolt Leg Benches.
