

# Adjustable Ergo-Bench® Work Stations ...

Not recommended for Sky-wal™ applications

Manually operated hydraulic lift raises or lowers bench top to put work at the right height for different workers or tasks. Reduces fatigue, helps boost productivity. Set work heights at 29¼" to 43¾" with infinite hydraulic lift adjustments within a 6" range.

Folding handle operates hydraulic lift that supports a 750 lb. payload.

Adjustable legs offer an additional adjustment of 8".

Bench Shipped Setup, Ready to Use
