

# Slotted Angle

**Now Choose From 1½", 2¼" and 3" For Light, Medium and Heavy Duty Applications.**

Solve unique storage problems with the convenience and strength of Lyon slotted angle. It's easy to build what you need – when and where you need it:

- Non-standard sizes of storage racks.
- Protective framing around machinery.
- Platforms around assembly projects.
- Support framing for displays.
- Unique configurations in hospitals, museums, retail outlets, lumberyards, schools – the list is virtually endless.
- Made from rugged, cold-rolled steel with heavy, nonflaking galvanized finish. All are clearly stamped on 3" centers for quick, simple measuring and cutting.
- Horizontal and vertical holes are ovalized to permit precise adjustment of angles.
