

Economical Plastic Binwall Tilt Bins

Mix and Match with High Capacity Plastic Bins!

One-piece design includes three built in slots for dividers and a 3 1/2" w x 3/4" d front panel slotted for labeling. Polypropylene is tough and durable, yet light in weight. Bins are easy to install, simply snap in and out. Can be used with all compatible Binwall products. Overall: 15" w x 5" d x 5 1/2" h.

- No. 3427BWBB** – Blue Tilt Bins
- No. 3427BWYB** – Yellow Tilt Bins
- No. 3445BWBB-18** – Blue Dividers
- No. 3445BWYB-18** – Yellow Dividers

Pre-Engineered Plastic Bin Three Bay Unit

Easy to install in adjacent rows or at selected intervals on existing walls. Thirty-six molded polypropylene bins and wall brackets included. Overall: 50" w x 6" d x 72" h. Floor anchoring is recommended.

- No. KK3478BWBB** – Pre-Engineered with 36 Blue Bins
- No. KK3478BWYB** – Pre-Engineered with 36 Yellow Bins

Tire & Reel Racks

Tire Racks

Special tire beam features flat surface where tire contacts beam and helps to prevent tire deformity. All models feature the same easy assembly as the Lyon bulk storage racks. Beams feature fold-in lock tab that can be engaged when additional security against beam displacement is required. All racks feature the 18" d knocked-down upright. Capacities shown are per pair of beams.

Tire Racks

Automotive Tire Racks

Capacity: 21 to 80 tires based on 6" w auto tires.
